Dear Parents and Students of the Junior Class,

Receiving your Colonial Heights High School Class Ring is a special event which should and will be celebrated with style! We are planning a very special ring dance for the Class of 2019. During this special dance:

- Each ring recipient will walk through a giant ring as their name is called
- Each ring recipient will receive their ring and special commemorative ring box
- Once back in their seats, the students all prepare to put on their rings at the same time as a unified class
- On the count of 3, the Class of 2019 proudly adorn their Colonial Heights High School Class Rings

Ring orders are being taken NOW in order to allow time for manufacturing and to allow parents to take advantage of several payment options.

Please review the information below and the ring packet your student will receive during a class meeting on September 29th. The packet covers the process of how to order your class ring and contains all pricing and option information.
